A **Mini Nana Blankie** is made in a soft, personal flannel print and can be that perfect smaller security that babies need. A whimsical **Bunny Bag** complete with ears and a fluffy tail is a unique small, treat carrier ready for annual Easters. Pack it away for just a few years, but the personalized **Tooth Fairy Bag** is the perfect little bag to share that time in a child’s life of losing a tooth. An **Activity Tote Bag** or **Toy Bag** initially can be used to carry baby supplies, but later can be used by the toddler to carry those small special favorite toys.
